Weak Lungs

Ask your doctor to name the best family
medicine for coughs, colds, bronchitis, weak
lungs. Follow his advice.

Seventy years of experience with Ayer's
Cherry Pectoral have given us great
confidence in it. We strongly recom-
mend it for coughs, colds, bronchitis,
weak throats, and weak lungs. It pre-
vents. It protects. It soothes. It heals.
Just the help nature needs.

Are You Puzzled ? ? ?

About what to give? If you are, let us help you decide. Our
cases gleam with beautiful presents. You cannot make a more
sensible and appreciated Xmas gift than a nice watch. Whether
for gentleman or lady, we recommend the ROCKFORD.

A BEAUTY CONTEST

In the State of Lewis—A Singular
Outcome of a Merry-Making
Scheme

A pie supper and a beauty contest was
pulled off at Trinity schoolhouse, in the State
of Lewis, just East of the border of Mason
county, Monday night that took the rag off the
bush for a warm number. That it was a suc-
cess is evidenced by the receipts of the eve-
ning, which were greatly beyond the expecta-
tions, and most gratifying to the promoters of
the evening's entertainment.

After the pie feast, which netted something
over \$12, a cake was put up to be awarded
the handsomest young lady present, at ten
cents a vote.

After a heated contest, in which money was
freely spent, the victory and cake were given
to Miss Katie Williams, her adherents having
dumped in the treasury the magnificent sum
of \$78.25.

There were four young ladies who contested
in the honor of being crowned "Queen of All,"
and, strange to say, the prettiest one of the
bunch only received one measly vote.

For Sets, 98c and up. New York Store.

Winter is here and with snow this morning
there is every appearance of an old time white
Christmas.

The Keystone Commercial Company's
produce house will be closed all day Saturday
for Christmas holiday.

The amount of bond furnished by W. H.
Rice, as County Judge-elect, should have read
\$10,000 and not \$1,000 as stated in yester-
day's paper.

TAKING THE CENSUS

Supervisor Wilson Outlines Prelimi-
nary Work—Examination For
Enumerators

J. T. Wilson of Cynthiana, Supervisor of the
Census for the Ninth Congressional District,
was in Maysville Tuesday on business con-
nected with the approaching census, to be taken
within thirty days, beginning April 15th, 1910.
His visit at this time is to complete the division
of Mason county into enumeration districts,
ranging in population from 1,500 to 2,000
persons.

The census in Maysville must be completed
within two weeks after April 15th, 1910, and
in the county precincts within thirty days after
that date.

The work of appointing the Enumerators
will probably not be completed until the latter
part of February. The appointments will be
made after an examination of applicants, to be
held on or about February 5th, 1910. The
census taking is to be non-political and the
appointments must show their qualifications for
enumeration by submitting to an examination,
which will consist, largely, if not wholly, of
filling out the schedule to be used by Enumerators
in taking the census. All applicants
will be furnished with an application blank,
circular of information, etc., and later full
particulars will be given each applicant con-
cerning the examination. The applicants from
Mason county will be examined at Maysville.
The examination papers will be examined and
graded, first by the Supervisor, and finally by
the Bureau of the Census, and no person will
be eligible to appointments who does not make
a creditable showing in the examination.

THIRD STREET
DRUG STORE

Tobacco Growers, Attention!

Although the recent cold snap curtailed the receipts somewhat, yet the Farmers' Home disposed of
almost 300,000 pounds leaf tobacco for week ending December 11th, 1909. The market showed marked
strength, especially on the low grades. The better ones so made improvement. The average for the week
shows 10 per pound better than last. The desire on the part of the buyers for tobacco made the sales very
active and the bidding spirited. Some prices obtained for the week:

R. T. Hord—9c, 14c, 15c, 16c.
A. B. Baxter—10c, 12c, 15c, 16c.
M. S. Hagg—10c, 12c, 14c, 16c.
George Garrett—15c, 14c, 16c, 18c.
W. M. Sammons—13c, 14c, 16c, 18c, 20c.
James Hensley—12c, 14c, 16c, 18c, 17c.
Owens & Wagel—11c, 13c, 14c, 16c, 17c.
Sherman Himes—10c, 12c, 14c, 15c, 16c.

Weather permitting, we expect heavy sales the coming week, with active market and
prices of last. Get your tobacco ready and let us get the high prices for you. Yours,

SPRINGDALE.

Mr. and Mrs. Oliver Groves are entertaining a new girl since Monday.

Mrs. Albert Emmons is spending the week with Mrs. Charles Moore of Lewis county.

Miss Maggie Outten, a charming young lady of Plattsburgh, is spending a few days with friends here.

The remains of the late Robert Ford were brought here from Hamilton, Ohio, and placed in the family lot at Bethany last Thursday.

Mr. Columbus Hughes, one of our oldest citizens and a life long resident of this place, was placed by his friends in Wilson Hospital the past week for medical treatment.

A horse driven by Dr. Winder ran away at the foot of Sycamore Hill last Monday morning. Dr. Winder was thrown out and painfully hurt. The buggy was wrecked, as was the harness, before the horse was caught.

Mr. and Mrs. Rosemier entertained a number of young friends at their lovely new home on Front street Tuesday evening. Music and games, with refreshments, rendered a most enjoyable evening.

Mr. and Mrs. W. H. Henderson and two children of Wayneville, Ohio, after spending a few weeks with relatives here, left Friday for Hamilton, Kansas, where they expect to reside in the future. They were accompanied from here by Mr. Robert Henderson and two children.

President Taft plans to keep busy, but will doubtless keep his desk closed on Christmas Day to participate in the family reunion at the White House.

In a large measure the destinies of the rural schools of Kentucky will lie in the hands of the examiners of the applicants for county school certificates, and Superintendent of Public Instruction Crabbe has received and approved of the list of examiners from each county in the State, those from Mason county being Prof. J. H. Jackson of Middlesboro and Mr. Luther C. Reynolds of this city.

DARK DAYS and LIGHT NIGHTS!

The "melancholy days" may be here, but, thanks to modern illumination, they are more than offset by the joyous nights. Darkness now is only a setting which brings out more strongly by contrast the glories of light. If the day gets too gloomy, we turn a switch or pull a cord and instantly our office, home or store becomes as brilliant as June sunshine. : : : :

ROYAL BLUE

For Laundry Use.

Is a very high grade of Bluing and specially prepared with the utmost care. Gives clothes a bright, fresh shade, with a beautiful lustre. It does in no way streak the clothes, as these cheap, inferior grades do. Many of the finest laundries throughout the country use this Bluing daily with perfect satisfaction. You will like it.

One-ten-cent powder, put into a quart of clear fresh water, will make you as much excellent Bluing, in liquid form, as you pay 50 cents for, and of a much better quality. You can make half a pint of excellent Blue Ink by dissolving the powder in half pint of water. Prepared by
